

TheSoundWell Yogibo Double

Price \$3800

TheSoundwell Yogibo Double consists of two Yogibo Max bean bag inners inside one giant cover. The Double is the perfect second bed for one or more. It gives you more room to move around than a Yogibo Max, and up to four people can share the Yogibo Double at once! Just fold up one side, and it makes a great "back."

The Yogibo Double weighs 40 pounds, so it can be moved to where you need it. Move it to a corner or spare room when it's not needed, and then pull it out anytime.

The Yogibo Double conforms to your body, supports you well, and allows couples and families to play, read, or watch movies together, all in supportive comfort. Does any other furniture do that? We don't think so, friend! There's just nothing else that gives you the floating feeling of a Yogibo Double.

Yogibo Double is 6' x 4' x 2' (depending on use) and comes in many colors. The super-durable Cotton / Spandex cover zips off to be easily machine washed. There's no need to wait; order yours today!
